In re Application of
Moulton
Application No. 10/618,533
Filed: July 11, 2003
Attorney Docket No. MOUL-001
For: ROTATING PERFORATED CYLINDER
TREATMENT SYSTEM

:
: DECISION GRANTING
: PETITION
:
:

This is a decision on the petition filed November 10, 2003 (certificate of mailing date November 4, 2003) entitled, "REQUEST TO CORRECT PATENT OFFICE RECORDS." The petition will be treated under 37 CFR 1.10(d), as a request to accord the above-identified application a filing date of July 11, 2003, rather than the presently accorded filing date of July 12, 2003.

Petitioner requests the earlier filing date on the basis that the application was deposited in Express Mail service on July 11, 2003, pursuant to the requirements of 37 CFR 1.10. The petition is accompanied by a copy of a United States Postal Service (USPS) sales receipt showing that Express Mail label no. EV263396265US was purchased on July 11, 2003. The same Express Mail label number is found on the original Transmittal Letter.

Paragraph (d) of 37 CFR 1.10 states that:

Any person filing correspondence under this section that was received by the Office and delivered by the "Express Mail Post Office to Addressee" service of the USPS, who can show that the "date-in" on the "Express Mail" mailing label or other official notation entered by the USPS was incorrectly entered or omitted by the USPS, may petition the Commissioner to accord the correspondence a filing date as of the date the correspondence is shown to have been deposited with the USPS, provided that:

(1) The petition is filed promptly after the person becomes aware that the Office has accorded, or will accord, a filing date based upon an incorrect entry by the USPS;

(2) The number of the "Express Mail" mailing label was placed on the paper(s) or fee(s) that constitute the correspondence prior to the original mailing by "Express Mail"; and

(3) The petition includes a showing which establishes, to the satisfaction of the Commissioner, that the requested filing date was the date the correspondence was deposited in "Express Mail Post Office to Addressee" service prior to the last scheduled pickup for that day. Any showing pursuant to this paragraph must be corroborated by evidence from the USPS or that came into being after deposit and within one business day of the deposit of the correspondence in the "Express Mail Post Office to Addressee" service of the USPS.

A grantable petition under 37 CFR 1.10(d) must include "a showing which establishes, to the satisfaction of the Commissioner, that the requested filing date was the date the correspondence

was deposited in "Express Mail Post Office to Addressee" service prior to the last scheduled pickup for that day." In addition, the showing "must be corroborated by evidence from the USPS or that came into being after deposit and within one business day of the deposit of the correspondence in the 'Express Mail Post Office to Addressee' service of the USPS."

The petition filed November 10, 2003 (certificate of mailing date November 4, 2003), is accompanied by the corroborating evidence required by the rule. Accordingly, the petition is **GRANTED**. No petition fee has been or will be charged in connection with this matter.

The application is being returned to the Office of Initial Patent Examination for correction of the filing date to **July 11, 2003** and the mailing of a corrected filing receipt.

Thereafter, the application will be forwarded to Technology Center Art Unit 1724 for examination in due course.

Any inquiries related to this decision should be directed to the undersigned at (703) 308-6712.
